Voters to choose from field of 8

BELLE GLADE—When registered voters go to the polls on Tuesday, Sept. 15 to elect three city commissioners to serve on the Belle Glade City Commission they will have a choice between eight candidates.

The north borough seat, presently held by Claude Tindall, the west borough represented by Randy Davidson and the east borough seat held by Dorothy Walker, are all up for election. Two of the incumbents, Dorothy Walker and Claude Tindall are seeking re-election.

Three political newcomers, Robert Jones, Daniel Bythwood and George Goforth threw their hats into the ring for election.

Two former commissioners, William "Bill" Grear and Clyde "Racey" Parrish are also running.

Incumbent Commissioner Tindall of the north borough was the first candidate to file his candidacy on July 15, the first day of qualifying.

Tindall's platform throughout the campaign trail has been his record. At a public forum held recently Tindall said he offers his 36 years in law enforcement, with 11 of those years being with the Palm Beach County Sheriff's Department. Tindall has served on the commission for four years.

Also running in the north borough is Clyde Parrish.

The owner of Parrish Wrecker Ser-

vice, Parrish previously served on the commissioner. Parrish said one of his main concerns as a commissioner would be improvements to the city garbage collection system.

In the east borough, Atz. Walker is running for her second term.

Walker defeated Kenneth Harris two years ago.

A member of the law firm of Gary and Lewis of Pahokee, Walker said she hopes to continue her fight for improved housing and more low income housing for the residents of the city.

Walker is being opposed by Iz Nachman, a veteran newspaper reporter. Nachman served as the Glades Bureau chief of the Evening Times prior to retiring in May.

Also running in the east borough is George Goforth, the owner of G&G Radiator Shop. A native of the Glades, Goforth said he has not been happy with many of the changes that have taken place during the past two years in the city.

He said he feels many of the changes have not been for the betterment of the community.

In the west borough, former commissioner and mayor, William Grear will be facing Bythwood and Jones.

Grear, the owner of B&E Rubber Stamp, Inc., said he sees many areas

A THREE VEHICLE SMASH-UP at the entrance of Okelanta Sugar Mill Friday, Sept. 4, resulted in \$13,000 worth of damage and minor injuries. Gary Franklin Higdon, 26, of Moore Haven, driver of an Ortona Sand Co. truck, ran into the rear of a tractor-trailer at the entrance to the mill. The collision forced the tractor trailer into 1975 Ford which was also stopped at the entrance. All vehicles

were in the north-bound lane of U. S. 27. Damage to the sand truck (shown above) was estimated at \$8,500, while damage to the tractor trailer, driven by Bradley Stege of Mango was estimated at \$2,000, and damage to the 1975 Ford, driven by Magda Torres of Des Moines, Iowa, was estimated at \$2,500. Unsafe brakes were cited as contributing to the accident.

In short Police arrest murder suspect

West Tech registration

Registration for West Technical Education Center classes ends Friday, Sept. 11. Classes begin Monday, Sept. 14.

Registration hours on Friday are from 8:30 a.m. till 3 p.m.

Fee for all vocational courses is \$13. Books and supplies are extra.

A wide variety of classes are available at West Tech, including bookkeeping, emergency medical technician, nursing assistant, air conditioning repair, auto body repair, auto mechanics, carpentry, machine shop, and welding.

West Tech is located at 2626 State Road 715.

Tractor safety class set

A program for tractor drivers, maintenance and shop personnel, and foremen and owners on tractor and shop safety will be presented Wednesday, Sept. 16, 3-5 p.m. in the Belle Glade Agricultural Research and Education Center conference room.

Presenting the program will be David Shearer, safety representative for the Florida Farm Bureau, and Jim Riser, service manager for Resmopco Tractor Co., Inc.

Two films on the safe operation and maintenance of tractors will also be shown.

BELLE GLADE—Investigators for the Belle Glade Police Department Tuesday, Sept. 8, charged a 20-year-old man in the Sunday night slaying of Narciso Cuevas, 34, of 148 W. Ave. A, Apartment No. 5.

Detective Bill Bullock announced Wednesday morning that Lawrence Charles Bishop had been arrested about 2 p.m. Tuesday. Initially, Bishop was charged with armed robbery. He was charged with homicide later in the evening.

Bullock said that the homicide apparently stemmed from an "armed robbery attempt that went

bad."

Cuevas' body was found in an alley at 408 S. W. Ave. B Place. He had been shot in the ear, neck and shoulder.

Shortly before midnight Sunday, Sept. 6, Patrolmen John Willer and Aurelio Rodriguez were approached by a black male who reported a shooting at the Cotton Club.

Upon arriving on the scene, they found Cuevas' body. Cuevas was pronounced dead at Glades General Hospital.

Others taking part in the investigation or in crowd control at the scene included Sgt. Curtis Stanbaugh, Det. Bill Bullock, Patrolmen Jim Sherrill, Brad Cummings, John Runkles, Crime Scene Investigators Fred Riebel and Bill Murray, and canine "Tut."

"A lot of folks helped in the investigation," Bullock said. He credited Det. Robbie Bronson with solving the case. Also helping out were Det. J. R. Eberle and Inspector Michael Miller. "There was a lot of work by a lot of officers," Bullock said.

Straw vote on city manager set

PAHOKEE—Voters in Pahokee will have a chance to air their feelings towards a change over to a city manager form of government on Oct. 27.

The City Council agreed to hold a straw vote on Oct. 27 to get the citizens opinion on the proposed charter change.

The Council members have been toying the idea around for several months and decided to go with a straw referendum election on the recommendation of City Attorney Michael Stauder.

The Council on several occasions in the past has tried to get the charter changed to a city manager form of government but the referendum was defeated each time.

Stauder told the Council, if the vote passes in October, the could hold the actual election for the charter change sometime in January.

He said the election must be held 30 days prior to the first day of qualifying for the city election.

The proposed charter change would call for the elected positions of mayor, city clerk and chief of police to be appointed.

The mayor would be elected by the Council from among themselves.

If the charter change is passed, the City of Pahokee would join the cities of Belle Glade and South Bay in a city manager form of government.

In a previous city council meeting, Mayor Norma Norman said there were only a few remaining cities in Florida with elected city clerks.

Council chairman, George Rashley said he did not believe the residents of the city would come out for a straw vote.

Stauder told the Councilmen, that although the voters might vote for the charter change, they could still vote against it.

The straw vote election will be held at the Pahokee Fire Station on Oct. 27 from 7 a.m. to 7 p.m.

In other business before the Council:

—Heard a report from the city consultant engineer Jim Sloane. Sloane told the Council he had received an estimation from McCleary Brothers, Inc., on the replacement of the pilings at the boat docking site at the Pahokee Harbor.

Sloane said it would cost approximately \$36,000 to replace 33 of the 44 wood pilings.

He said the city should submit its application with the Palm Beach County Recreation Department for a \$50,000 grant to finance the project.

The Council agreed to submit application and to put the item out for bid.

—Reappointed Mead Maxwell to another term on the Pahokee Housing Authority Board on the recommendation of Mayor Norman.

—Hired Gary Burroughs as a police officer. Burroughs is a former officer with the Belle Glade Police Department.

—Instructed Att. Stauder to write the Department of Transportation on the parking problem of trucks parked at East Main St. and on South Lake Ave.

Councilmen Rashley and McKinstry said they have received complaints from residents saying the large trucks block the view of oncoming traffic from the intersection of S. Lake and East Main St., down to Pahokee High School.

Post office moves to new location

CANAL POINT—Residents of Canal Point began receiving their mail

at a new location this week, when the U.S. Postal Service moved its office to a new building located on Second Street.

The opening of the new facility marks the end of a 10 year struggle for Canal Point's residents.

Efforts to get the new post office were started in 1970 by former Postmaster Eda Smith. She realized the old post office located on Coonors road was rapidly deteriorating.

In 1972, Mrs. Smith left the post office and the present Postmaster Bill Groover took over the post and continued the fight to get a larger facility.

Several years later, residents stood up to federal officials during a meeting at the Canal Point Community Center and their demands for a new post office were finally heard.

In 1979 the old post office was no longer usable and a temporary facility was set up in a trailer on Main Street.

Groover said the post office is open for business Monday through Friday from 8:30 a.m. to 5 p.m. and there are 472 lock key boxes for residents to receive their mail.

The Canal Point service area includes all of northwestern Palm Beach County north of Pahokee and all of southwestern Martin County south of Indiantown.

The post office also is responsible for the two contract post offices at U.S. Sugar Corporation's labor camps at Bryant and Pelican Lake. Both offices were recently given a facelift and new key lock boxes were installed.

HARD AT WORK on the Police Benevolent Association Clubhouse Tuesday, Sept. 8, were (from left) Donna Shunk, Ron Shunk,

Albert Dowdell, III, Larry Confare, and John Ryan. PBA members are working toward a Oct. 3 completion date for the project.

Police spruce up meeting hall

The Belle Glade Police Benevolent Association is in the process of turning the old Jaycee Building at Jaycee Park into a PBA meeting hall.

During the past three weeks, about 90 percent of the members of the police department have lent a hand to get the building into shape for off-duty police social and recreational functions.

The Jaycees had not used the building in about six years and the policemen have a major remodeling job on their hands. PBA Pres. John Ryan is aiming for an Oct. 3 completion date.

Just about everyone from the youngest patrolman to Chief D. Bill Mathis has lent a hand to get the building into shape.

"Chief Charlie came down and pushed a brush yesterday," said Ryan of retired police chief Charles Goodlett, now a Belle Glade City Commissioner.

Local BPA members, who stress that they are independent of any union or county or state BPA, are planning a barbecue to celebrate completion of the project.

The project includes installing central air conditioning, insulation, paneling, a new ceiling, carpeting, new plumbing, new windows, hanging

new doors, adding a patio and barbecue pit, and fumigating.

The BPA has received no help from the city other than being given permission to use the building and is accepting donations of money and supplies for the project.

Among fund raising projects being conducted by the BPA is a Miami Dolphin-Baltimore Colts football game package Nov. 1. The \$37.50 per person package includes a ticket to the game, round-trip bus transportation, a buffet breakfast at the Holiday Inn, and a steak dinner at the PBA clubhouse after the game.

Only 46 of the tickets are left. They may be obtained from any member of the police department.

Also planned is the annual policeman's ball Nov. 1 at the Elks Lodge.

Top flight entertainment is planned for the ball, including country and western Top 40 artist John Anderson, the Amarillo Band, and the Lonnies Jolson Band. Simon Train will serve as master of ceremonies for the ball. Tickets are \$15 each and are available from members of the police department.

Persons, businesses or organizations interested in contributing to the PBA clubhouse project may contact PBA Pres. John Ryan or any PBA member at 996-7251.

Among the businesses which have already contributed to the project are Lutz Construction Co., Seminole Supply Co., Connell Hardware, Rinker's Concrete, Carter Electric, and Comfort Air Conditioning.

Fees may be boosted

SOUTH BAY—Occupational license fees for the City of South Bay may be in for an overall increase, with some of the fees doubling, should an ordinance being proposed by the city commission be passed.

If the ordinance is passed it would be the first time adjustments have been made on the city occupational licenses since 1968.

The ordinance was presented by City Attorney James Gann at the City Commission meeting on Tuesday, Sept. 1. The Commissioners wanted to look more closely at the proposed ordinance before taking any action.

Many businesses would have their fees doubled, such as service stations, which would go from \$25 to \$50, professionals, such as attorneys, would go from \$25 to \$50 also, and telephone companies would go from \$100 to \$200.

The suggested charge for general merchant license would be \$50 for merchants with less than \$3,500 worth of stock on hand, \$100 for stock valued from \$3,500 to \$10,000, \$125 for merchants with \$10,000 to \$25,000 on the shelves, and \$150 for stores with more than that.

Glades residents donate \$2,520

BELLE GLADE—Glades residents donated \$2,520 to the annual Jerry Lewis Muscular Dystrophy Telethon.

The Kiwanis Club manned the telephones at the Holiday Inn for the event.

Robert Hendrix, co-chairman of the event said Kiwanis members and volunteers manned the telephones from 9 p.m. Sunday, Sept. 6, through 6:30 p.m. on Labor Day.

Approximately \$350 was brought by youths going door to door for donations and the fish bowl in the hotel lobby, said Hendrix.

Even though the total was below what the Kiwanis Club was hoping to raise, Hendrix said the members expressed their appreciation to everyone who made a pledge.

It was the fourth year in which the Kiwanis Club sponsored the Glades area telethon. In 1978, the most successful effort netted over \$6,000 in pledges.

Sissy Rudy, an 11-year-old from Pahokee was the recipient of the Jerry Lewis wristwatch given by the Kiwanis Club to one of the youth volunteers in the telethon.

which there need to be improvements. At a public forum, Gear said the raw water intake situation was one of his main concerns.

Bythwood, a human relation counselor with the Palm Beach County School system said he plans to speak for the citizens of Belle Glade if elected.

A former policeman with the city, and the father of seven, Bythwood said he would also like to see more organized recreational activities and a crew for youths in the community.

Jones, a candidate for the west borough also, is a Title-I coordinator for Florida Farmworkers Council. Jones said he feels housing should be a number one priority with the commission. "The population is increasing but accommodations are not keeping up," said Jones.

"Overcrowding creates problems which are not easily solved. I support efforts to bring more low-income housing to Belle Glade because most of the present population is low-income," he added.

The polls will be open from 7 a.m. to 7 p.m. In the event a run-off election is necessary it will be held Tuesday, Sept. 22 and the polls will be open from 7 a.m. to 7 p.m.

Willard Taylor, Jr. has been appointed as the clerk of the election and Patty Berryhill is the Deputy Clerk.

City may be forced to reduce project

By JIM JONES

Zooming interest rates may force the City of Belle Glade to scale down its \$8 million water and sewer improvement projects.

At a workshop session with project engineers from Briley, Wild and Associates Wednesday evening, Sept. 2, commissioners learned that municipal projects with Triple A credit ratings are being charged up to 15 percent interest on bond issues.

Project Engineer James Senoff said that he had to do some "soul searching" after finding out how high interest rates have risen.

"It's as dismal as Jim points out," said Mayor Thomas Altman. "It's out there."

City Manager Rolfe Wagner pointed out that the situation would worsen if 25 to 50 percent water cutbacks were ordered over a long period of time. Less water sold to consumers would mean less revenue to pay debt service.

Altman said the city needs to determine over the next several weeks essential work to be completed.

Wagner suggested that the city consider a constructing interim improvements to the raw sewage treatment system and building a booster station, which would guarantee a steady supply of water during times of either high or low water.

If the project is to be cut back drastically, Mayor Altman said the city should determine if it can recover its engineering costs from a bond issue.

Wagner pointed out that even if the city is forced to postpone part of the project, it could still have a set of plans ready to implement if the federal government decided to intervene in the economy.

During the middle 1970s, federal money made the Belle Glade municipal complex possible.

Commissioners are immediately concerned with ensuring an adequate supply of water during the height of the cane milling season.

When the Sugar Cane Growers Cooperative of Florida mill cranks up, it will place an additional 2.5 million gallons per day demand on the city's system.

Mayor Tom Altman said the city's short-term goal is to produce 7 million gallons of water daily.

Wagner noted that peak demand has been 6.2 million gallons per day during the sugar milling season.

John C. Levanger, project manager for Briley, Wild and Associates, Inc., said it would cost the city millions of dollars to build a new pipeline to the lake to ensure a reliable water source. He said that a new pipeline is not feasible because of the cost.

"The answer has got to be the barge, and supplements, possibly from the Hillsboro Canal," Levanger said.

L. J. Dillard, Jr., project engineer, said that based on his calculations, the addition of a second pump to the barge on the rim canal would guarantee the city seven million gallons of water a day.

Levanger said that his firm would review the project and within the next two weeks advise the city of the actions that it can take to meet the seven million

gallon per day target figure.

Briley, Wild and Associates will also make recommendations on sewer improvements for South Main Street.

Ron Sigmon said a lot of major development is underway along South Main Street, including homes and businesses.

Mayor Altman said that the city wants to take advantage of county sewage improvements planned for the area, including at Radville.

City seeks

clerk-typist

The Planning and Community Development Department of the City of Belle Glade is currently seeking applications for the position of clerk typist.

This is the city's newest department, combining the Planning and Building Department with the Community Development Department.

The clerk typist will provide clerical assistant to Director Remar Harvin. Applicants should have good typing skills, the ability to communicate orally and in writing, and be available for some night meetings.

Harvin says the position has growth potential and the applicant will be limited only by his ability. Salary will be determined by education and experience.

Applications may be picked up at the Personnel department of Belle Glade City Hall, 110 S. W. Ave. E., Belle Glade. The city is an equal opportunity employer and minorities are invited to apply.

ALMA HENRY
HOW I SEE IT

Opinion

JIM JONES
BOILER PLATE

It's election time

With the Belle Glade City election for city commission seats in the East, West and North Boroughs less than a week away, I would like to encourage all registered voters to get out and take advantage of the privilege to vote and vote for the candidates of your choice.

The polls will be open from 7 a.m. to 7 p.m., Tuesday, Sept. 15, at the Belle Glade Fire Department for all voters living within the city limits.

There are seven candidates vying for the three positions up for grabs and they each believe they can best represent the city for the borough in which they are running.

The choice is yours, let it not be said that your candidate lost because you failed to vote. There have been cases where one vote decided the outcome of an election... so don't stay at home.

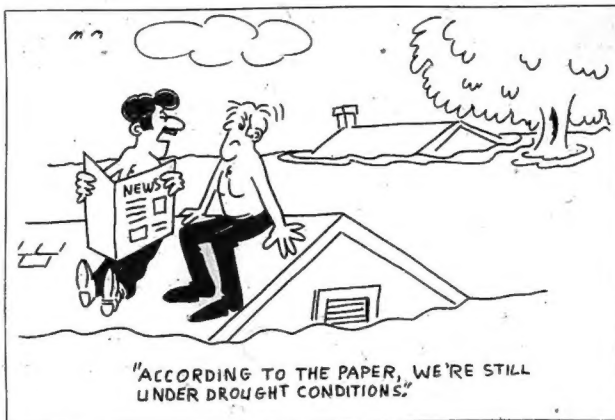

The candidates have campaigned hard and have been present at a number of community forums to present their platforms and to listen and respond to comments and questions from the community.

Get out the vote on Tuesday for the candidate of your choice.

The Belle Glade Municipal Library is having Open House Sunday at the library from 2 to 4 p.m. Librarian Phillis Lilly said the library will have on display an exhibit featuring "Early Life in the Glades". Why not make open house a part of your Sunday afternoon plan? Plan now to attend open house.

As Glades area high schools kick off their 1981 football season Friday night, I wish each of them a very successful and productive season. I would like to see all the teams go 10-0, but if you lose a few, play your best... but have fun... THAT'S THE NAME OF THE GAME.

For your organization's free listing in the Herald-Observer calendar call Brenda at 996-2056.

Get out and vote

Eight persons have thrown their hats into the political ring this year, seeking terms on the Belle Glade City Commission.

Though the candidates share a desire to serve on the city commission, their backgrounds and qualifications differ greatly, offering voters a true choice.

In the North Borough, incumbent Claude A. Tindall is facing opposition from former commissioner and mayor Clyde "Racy" Parrish. Tindall is a retired law enforcement officer and Parrish is owner of Parrish Bros., Inc.

In the East Borough, incumbent Dorothy Walker faces Iz Nachman and George Goforth. Walker is an attorney, Nachman a newspaper man, and Goforth is owner of G and G Radiator Shop.

Incumbent Randy Davidson chose not to seek re-election in the West Borough. Daniel Bythwood, Robert Jones, and former com-

missioner William Grear are all seeking that seat. Bythwood is a human relations counselor for the Palm Beach County School District, Jones a Title 20 coordinator for the Florida Farmworkers Council Headstart Program, and Grear is owner of B and E Trophy and Rubber Stamp.

Ballots for all three races will be cast at the Belle Glade Fire Department Tuesday, Sept. 15. Polls will be open from 7 a.m. till 7 p.m.

A run-off election, if necessary, will be held Sept. 22.

It has been said many times before, but this is the opportunity for voters to make their ballots count. Belle Glade is fortunate that so many candidates have shown an interest in the election. Let's hope that the interest shown by voters will be at least as great as that shown by the candidates.

Changes...

I was driving through the Devil's Garden area this weekend and I couldn't help being struck by the significance of the wide open expanse of land that we still enjoy here south of Lake Okechobee.

At one time, the entire earth was a wide open expanse of land (and water), undeveloped and pure. Along came man, and he is ever since been building cities and roads, putting up telephone and power poles, and stringing barbed wire.

Plymouth Rock doesn't have a whole lot in common with the Devil's Garden or the Grand Canyon for that matter—except they were once all wide open expanses of land.

Any traveler to New England can tell you how hard it has become to find wide-open expanses of land there. Cities and villages are everywhere.

This is fine and as it should be. I'm all for the progress of man, since there is no reasonable alternative.

It is sobering to speculate about what our area will be like in 200 years.

I see a potential paradise. The climate is ideal and a wide variety of tropical fruits grow here. No one will be covered over by snow and have to wait till spring to be rescued.

Despite the current problems with Lake Okechobee, it could become a true resort area, rivaling the French Riviera.

Lots of folks would pay good money to bask in the sun on white sand beaches and take a dip in fresh, rather than salt, water.

The more adventurous sorts could golf, hunt, fish, or take a tour of the Everglades—pretty much what winter visitors do already.

The cities surrounding Lake Okechobee could take off and become major metropolises. Miami started from scratch less than 100 years ago and became a giant. I don't necessarily wish all of the ramifications of Miami's growth on the local area. I'm just speculating about what could happen. Who knows, in 200 years Benbow or Lake Harbor could emerge as dominant cities in this area.

One thing I've learned is to never take anything for granted.

What we see and experience every day probably won't be the same as our grandchildren will see and experience.

Ask a local pioneer: some day. They can tell you how much things have changed in the past 40 years.

The cabbage palms, the canals, the saw grass, our bumpy roads, sugar cane, packing houses, the steamy weather, the wealth of fruits and flowers that grow here, the fields of black muck, the wide open expanses of land—they are all part of our world today.

But the world isn't quite like it was yesterday and it won't be quite the same tomorrow.

Letter to the editor

EDITOR:

This long-time resident of the city of Belle Glade, Florida, desires to offer a suggestion to the present city commissioners and those fine persons having a desire to become elected to the Belle Glade City Commission.

It is reported that the present salary of a city commissioner is better than eight thousand dollars per year, may Belle Glade voters believe that this pay amount is too high and is a burden on the citizens of Belle Glade.

Since the state wants more money, County of Palm Beach wants more money, City of Belle Glade wants more money, my source for above information is the estimated tax values placed on home owned by myself and my wife, Dorothy A. Sear, borough. To report to you that the tax could be more than twice the amount of last year. We have already received this notice from the newly appointed tax assessors office.

History of the Everglades Taken from Herald-Observer issues

30 YEARS AGO GLADES OBSERVER SEPTEMBER 7, 1950

Approximately 100 people attended the meeting of the Cuban Democratic Revolutionary Front held at the Woman's Club. The speaker called upon all liberty loving Cubans in the United States and elsewhere to present a united front against the tyranny of Castro's political regime. He recommended to Cuban young men in this country that they accept invitations to join the armed forces of the United States.

All telephones installed in Belle Glade, South Bbay, Bean City and Lake Harbor after Sept. 1, 1951, were going to be assigned telephone numbers composed of seven numerals and no letters. It was announced by Bob Lee, manager for Southern Belle Telephone Company.

The Pahokee Woman's Club building was the scene of a "back-to-school" dance party

given by the Misses Dottie Lair, Tina Maxwell, Verlen Jones, Diane Hollen, Diana Graham, Buttons McKinstry, Cheryl Pierce, Carmen Tonarsely, Carol Haton and Linda Wilson.

30 YEARS AGO THE EVERGLADES NEWS SEPTEMBER 7, 1951

Following an inspection of cane fields of the United States Sugar Company plantations, Harry T. Vaughn, vice-president and general manager of the corporation, termed cane prospects for the coming season to be "excellent."

Sites were chosen by the Pahokee Housing Authority for the 115 housing units which were to be erected in Pahokee for farm laborers.

The site for the housing project, which would include 40 units, was a five-acre tract on the Belle Glade road near Crews' supermarket.

The building adjoining the Pahokee High

School campus, formerly occupied by C.C. Miller and family, was being remodeled for use by the high school band.

This building was reported to be only a temporary arrangement as plans for a new gym at Pahokee High School included space for the activities of the band.

40 YEARS AGO THE EVERGLADES NEWS SEPTEMBER 12, 1941

A.E. "Slick" Kirchman was reelected mayor of Belle Glade in the Tuesday balloting. He was opposed for the mayor's position by G.A. Hubbell and Peter Muller.

The U.S. Marine Corps Recruiting Station of West Palm Beach was authorized an unlimited quota for the month of September, according to an announcement by Sergeant John Q. Goffe, Non-Commissioned Officer in Charge.

Lumber cut by L.L. Davis at his mill in

Okeechobee county is being transported from Canal Point to Kreamer Island by John Fultz for Turner & Gum.

The lumber was tongued and grooved and was being moved on the Iris F. and was being used to make a breakwater.

50 YEARS AGO THE EVERGLADES NEWS SEPTEMBER 11, 1931

Application to the I.I.B. to purchase lake bottom land in Pelican bay had been withdrawn and therefore the proposed sale had been called off, it was said.

U.S. Engineers wanted Lake Okeechobee at a low level because of the flood control work and would not close lock No. 2 at the outlet and of S. Lucie canal until the lake was down to

15th Annual Safety Conference draws crowd

By DEBBIE HATFIELD

United States Sugar Corporation received the Sugar Cane Annual Safety Award for having the best safety record for the 1980-1981 harvest season Wednesday, Sept. 2.

The presentation took place before a crowd of 193 cane workers, managers and managers who gathered at Clevelston's John B. Boy Auditorium for the 15th Annual Florida Sugar Cane Safety Conference.

W. G. "Nick" Smith and J. D. Stacy accepted the award on behalf of USSC from John Glenn, assistant chief of the Florida State Bureau of Industrial Safety and Health.

Smith is the USSC director of safety and insurance and Stacy is USSC vice president for agriculture.

Dalton Yancey, vice president and general manager of the Florida Sugar Cane League, presented an award to Chris Davison of Osceola Farms Sugar Company.

Davison is one of the originators of the safety conference and has 55 years experience in the sugar cane industry.

The safety conference, sponsored by the Florida Sugar Cane League and the Bureau of Workers' Compensation, Division of Labor, Florida Department of Commerce, presented guest speakers from safety and insurance fields and also presented several films.

Supervisors represented area companies such as USSC, Gulf and Western, Atlantic Sugar Association, Osceola Sugar Association, and Sugar Cane Growers Cooperative of Florida.

"Learning safety is a slow and painful process. Behind all the statistics are people with names and personalities," A. Morris Busbia, chief of the Bureau of Workers' Compensation, told the supervisors.

"Of all the some 106,000 accidental deaths in the United States last year, 13,000 were on-the-job fatalities. Industry loses \$84 billion in accidents suffering from reduction in production and we all pay the price," he said. "And 87 percent of all accidents are due to human error."

"You have to be able to recognize hazards that can result in an accident. Ninety percent of our accidents are hired," he said and explained that people usually cause accidents rather than machinery.

Gas prices unchanged

MIAMI - Gasoline prices at self-service pumps average \$1.43 a gallon across Florida, unchanged from last month, but motorists using self-service are paying 2.3¢ per gallon less than they paid in July.

The latest AAA Clubs of Florida fuel gauge report shows that drivers could save 11.2¢ per gallon in August by using self-service. In July the self-service saving was 8.9¢ per gallon.

Since February the savings at the self-service pump has climbed from 5¢ per gallon to the present 11.2¢ per gallon difference.

Fire prevention in the fields is another safety watch, speaker John Tamsberg, district forester for the Florida Division of Forestry, told the audience. Approximately 330,000 acres of sugar cane in south Florida will be burned and this calls for safety precautions. Burning sugar cane is more an art than a science, he said.

"You are in the business of what we call prescribed burns. We are specialists in open field or non-structure burning. Last year we burned 100,000 acres in back fire just to stop a fire that burned 200,000 acres," he said.

Set in the right conditions, sugar cane fires will burn themselves out due to the sugar syrup running out and damp muck, he explained. The sugar cane industry is unique in that it is allowed to carry out large scale burning and is issued a permit.

Tamsberg complimented the sugar industry saying:

History—tinued from 4

elevation 13 feet.

Opening of the Lake Shore Supply Company's store at South Bay was evidence of the returning importance of that district as a truck growing section.

A packing house taken over from Hering & Hawkins located on the railroad and state road No. 35 had been converted into a store building and warehouse and apartment for the manager.

A get-together meeting was held at the Community church parsonage under auspices of the Ladies' Aid.

Building operations which began that week on the Rader building would add 10 feet to each of the store, two feet to the width of the building and two apartments at the rear.

ELECT
GEORGE GOFORTH, JR.

YOUR
City Commissioner

BELLE GLADE, FLORIDA

Punch No. 7

Sept. 15, 1981 East Borough

Paid for by the Campaign Fund to Elect George Goforth

The First American Revolution has begun with FREE NOW ACCOUNTS.

When you open a revolutionary NOW Account, you receive free values in excess of \$100, in addition to putting your idle checking funds to work by earning 5 1/4% interest compounded daily and paid monthly. A First American NOW Account gives you more than any other financial institution. These extra values are:

1. Free Term Life Insurance up to \$5,000 plus \$10,000 accidental death by common carrier
2. Free MasterCard and VISA, saving you up to \$25 in annual fees (upon credit approval)
3. Free, unlimited VISA Traveler's Cheques. For example, you'll save the usual \$10 fee on \$1,000 worth of Cheques.
4. Free Safe-Deposit Box, subject to availability, which gives you a \$10 credit toward your rental.
5. Free printed checks, bearing your name and address. A typical savings is \$4.25 for 200 checks.
6. Free NOW Account when you keep the required average collected balance.*

*Average collected balance of \$2,000.00

OF PALM BEACH COUNTY

Member F.D.I.C.

Letter—

Continued from 4

My point is this, the pay of our city commissioners is well up in the highest rate for a small ci-

ty the size of ours in the state of Florida. The citizens and voters of Belle Glade, need a good reduction in the pay of our present and future city commissioners. When each of you think on this matter carefully, why not promise in your effort to be one of our city commissioners that you will support a reduction

in the present pay of the members of the Belle Glade City Commissioners.

Most voters believe the yearly pay should be \$1,500.00. I believe that all persons running for the Belle Glade City Commission are good people and I wish each of you the best in your efforts to be a winner in the coming election.

HERALD-OBSERVER, Thursday, September 10, 1981, Page 5A

Sincerely yours,
George Scarborough
Belle Glade

Post Script: The above suggestion would save the tax payers of Belle Glade, Florida approximately \$30,000.00 each year.

Editor's note: According to a city hall spokesman, commissioners currently earn \$6,500 annually.

Safety conference—

Continued from 5

ing, "primary losses are far below the average. You usually have one or two (loss type fires) while other types (of industries) have 10 or 15." There are many safety check points in controlled burning. These are checking for wind speed, humidity, duration of fire, and getting a weather report.

If these check points are not followed, fires can become uncontrolled and heavy smoke over highways can cause accidents. "You're looking at a lawsuit if the fire jumps over to private property," Tamsberg said.

Muck fires account for a portion of calls in the Belle Glade and Pahokee areas for the Division of Forestry, he added.

It's up to supervisors to protect their personnel, equipment, the natural resources, adjoining land, and the general public, he said.

To avoid these problems, communication is the most important aspect in making sure that

everyone knows where the fire is started and how it's being set. The only way to get a good fire is to have an experienced burn unit.

An experienced employee can walk out in the morning air and know how well the cane is going to burn that day, he said. One learns how to set good fires by practice.

Tamsberg said that employee precautions in handling equipment in the field also affect safety.

The district had 15 fires last year where vehicles got bogged in the field and an overheated motor caused the field to catch on fire. An average of six tractors a year "get ran over by fire."

He explained that workers sometimes get trapped or leave equipment in the path of fire due to panic or poor communication on the location of burning.

Health hazards can affect employee safety, too, in the sugar industry, Paul J. Alvarado, team leader for the Occupational Safety and Health Administration in Fort Lauderdale, said.

Delton Yancey said attendance at the conference this year was among the largest in history. Last year's conference drew about 140 persons. Members of the 1981 Florida Sugar Cane League safety conference committee include Chairman H. T. Vaughn, Jr. of U.S. Sugar Corporation, Nick Smith of USSC, Chris Davison of Osceola Farms Company, Charles Schiele and Juanquin Mendiburo of Sugar Cane Growers Cooperative of Florida, F. A. Iznaga of Gulf and Western Food Products Co., and Ernesto Friede of Atlantic Sugar Association.

Baldwin named health director

Former Belle Glade resident Kenneth Baldwin was recently appointed director of the St. Louis County (Mo.) Health Department. Prior to his appointment, Baldwin was a department administrator.

In his current position, he will direct the operations of approximately 400 medical and administrative personnel and manage a budget of approximately \$10

million. With these resources, he is responsible for the overall direction of public health within the county. St. Louis County covers an area of 500 square miles and has approximately

one million residents. He is married to JoAnn Baldwin of New Jersey and is the son of Mr. and Mrs. Willie Baldwin of Belle Glade. He graduated from Florida A and M Univer-

sity and earned a masters in business administration from Western New England College.

He was awarded the Legion of Merit upon retiring from the Army in October of 1980.

ASCS source of insurance information for farmers

To make federal crop insurance information more accessible to farmers, the Agricultural Stabilization and Conservation Service was designated as a major source for crop insurance information.

"Our office will provide farmers with information on various crop insurance programs and keep referral lists of local private insurance agents and companies contracted to write crop insurance policies," Marie L. Wilkins, an official of the Palm Beach County ASCS Committee, said.

In addition to disseminating crop insurance information, the agency will collect and validate yield data for the Federal Crop Insurance Corporation's individual yield coverage plan which customizes crop insurance policies for

farmers with above-average yield histories.

Mrs. Wilkins said the two agencies pooled their resources to meet the demands of the expanded all-risk crop insurance program.

ASCS will provide acreage determinations for all FCIC program

needs and for private insurance companies at their request.

The ASCS official said the cooperative agreement is a major step toward making all-risk crop insurance available to all farmers presently covered under the low-yield disaster program.

USSC farm equipment recovered by Stull

Palm Beach County Deputy Mike Stull Sept. 6 recovered a tractor and fuel wagon valued at \$55,000.

The tractor, which belongs to United States Sugar Corp. had been moved about four miles from Bryant Section 15 to Market and Streamline Road during the night.

The fuel wagon was still full of fuel. The wagon has a capacity of about 5,000 gallons of fuel.

Deputies are still investigating the theft of 800 gallons of diesel fuel valued at \$864 from Osceola Farms Co. Sept. 2.

In other activity reported by the Sheriff's Department, Deputy Bud Backhermes charged James Willie Williamson, 48, of West Palm Beach with driving while intoxicated Sept. 5.

Williamson allegedly led Backhermes on a three-mile chase in his 1971 Ford before stopping near Florida Sugar.

Everglades Memorial Hospital celebrated its 45th birthday on Friday, Sept. 4 with a reception for its employees in the hospital cafeteria. On hand for the cutting of the first

piece of cake at the celebration were Frank Steinberger, the hospital administrator, Gloria Wyatt and Dorothy Wilson. The hospital is presently in its third location since it was established in 1936.

It's official Pahokee hospital is 45 years old

Vista

Sorority meets for brunch

BELLE GLADE-- Preceptor Omicron Chapter of Beta

Sigma Phi Sorority began its new year, Saturday, Aug. 29, with a brunch at the home of Mrs. Virginia Anderson.

Hostesses were Mrs. Anderson, Mrs. Pat Ayres, Mrs. Ruth McAllister and Mrs. Vivian Pate. Other members attending were Mrs. Marie Battie, Mrs. Nancy Carpenter, Mrs. Gene Connell, Mrs. Gene Cross, Mrs. Margaret Drawdy, Mrs. Jeannette Fincannon, Mrs. Flo Jones, Mrs. Jo Knight,

Mrs. Virginia Lindrose, Mrs. Rose Nash, Mrs. Esther Walker and Mrs. Ruth Wedgeworth.

An interesting calendar of events for the coming year was presented by President Gene Cross and her committee chairmen.

The end-of-the summer social was thoroughly enjoyed by all, according to Mrs. Gene Connell.

Real estate course offered

BELLE GLADE--The Palm Beach Junior College Department of Continuing Education will be offering a two session course in Real Estate at PBJC Glades Campus on Saturday, Sept. 12 and 19 from 9 a.m. to 5 p.m.

The name of the course is Real Estate Post Registration. Other Real Estate courses will also be offered at Suncoast High School, Florida Atlantic University and PBJC Central, now through Dec. 19.

Registration for these courses will be accepted at the Continuing Education Department, PBJC Glades Campus or call 996-3055.

The cost of the course is \$15.

Class win: Babb's Pride, owned by Mr. and Mrs. Hugh Branch of Pahokee, took first place in the three-year-old walking stallions at the 43rd Annual Tennessee Walking Horse Na-

tional Celebration held in Shelbyville, Tenn. From left, are Mrs. Donn Perry, Indianapolis, Ind., Geri Cook, Shelbyville, and Charles Bobo, up on Pride's Beam.

Pride's Beam places first

Mr. and Mrs. Hugh Branch of Pahokee are beaming with pride. Their Tennessee Walking Horse, Pride's Beam, won first place in his class for three-year-old walking stallions at the 43rd Annual Tennessee Walking

Horse National Celebration, held Aug. 30 in Shelbyville, Tenn.

The stallion took home a trophy, ribbon and a purse of \$150 for his efforts. Charles Bobo was the rider.

The Branches and son Chip were at the ten-day horse show with their walker. During the show some 1,800 Tennessee Walkers entered from all over the nation.

A non-profit organization, Celebration, has

been held every year since 1939 when it began as a modest horse show on the grounds behind the local high school. The highlight of the show is on the last night when the World Grand Champion is named.

Babb named Outstanding Young Man

PAHOKEE--Keith W. Babb, Jr., of 298 West 5th St., has been selected for inclusion in the 1981 edition of "Outstanding Young Men of America."

Babb, a graduate of Pahokee High School and a 1979 Magna Cum Laude graduate of Texas College of Tyler, Tex., was selected from nominations received from elected public officials, university and col-

lege presidents and deans as well as various civic groups, including the United States Jaycees which also endorses the Outstanding Young Men of America program.

While attending Texas College, Babb served as vice-president of the Student Government Association, president of the senior class, president of the Alpha Kappa Mu

Honor Society, and editor of the college newspaper.

Babb is presently employed by Palm Beach County Division of Senior Services as a area supervisor at the Glades Senior Citizens Center located at 1535 N.W. Ave. L, in Belle Glade.

He is also affiliated with the Kappa Alpha Psi Fraternity, Glades Chapter and Glades

Citizens in Action.

Babb was selected for inclusion into "Outstanding Young Men of America" for his voluntary service to the community, professional leadership, academic

achievement, business advancement, cultural accomplishments and civic and political participation.

Library offers children's program

BELLE GLADE--The Belle Glade Municipal Library is resuming their children's program for school age and pre-school children, according to Librarian Phyllis Lilly.

"We are offering a variety of activities on Friday's for the 6 to 11 age group, including an after school special," Lilly said. The Friday program starts at 3:30 p.m. and ends at 4:30 p.m.

On Saturday morning a pre-school program will be offered from 10 to 10:30 a.m. for age groups 3 through 5 years old. "It will include stories and other activities," said Lilly "and we ask that the parents pick their children up promptly after the program."

Gove to provide child care services

BELLE GLADE--Gove Elementary is offering a new child care program at the school according to Joe Perry, guidance counselor.

The program, offered to parents of school age children, will make possible a place for parents to leave their children in the morning hours as well as the afternoons until they get off work.

"The program is open to all children," said Mr. Perry, "not just to the students at Gove Elementary."

T hours for the program are from 7 to 9 a.m.

and from 3 to 6 p.m. five days a week. The cost is \$4 per week for the morning and \$5 per week for the afternoons.

"The second child will be enrolled at half price," said Perry, "and the afternoon sessions will include an afternoon snack at no extra charge." Parents must provide their own transportation.

"We encourage the community to make use of a child care program," he said. For more information call Joe Perry at Gove Elementary, 996-1955 or 996-4966.

Mrs. Annie L. Hillery of Belle Glade recently attended the annual Bonner Brothers International Beauty and Trade Show in Atlanta. Mrs. Hillery is a local cosmetologist.

Golden Moments Elks dinner held

BELLE GLADE--Everglades Lodge number 1323 and the Emma V. Kelly Temple number 966 of the International Benevolent Order of the Elks held their annual Brother and Sister Reunion Dinner on Aug. 23.

The affair was held at the Elks Rest, 416 S.W. Ave. C, P.L., and the theme for the dinner was "Golden Moments."

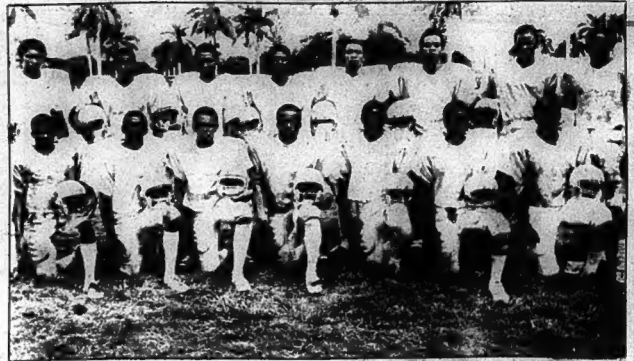

Charles M. Neal, Ex-auxiliary Ruler and Mrs. Mable Stallworth, Daughter Ruler, presided over the affair.

Prior to the annual feast, several Elks and Daughters presented a short program of welcome.

Mrs. J. Ridley gave the occasion; Mrs. Corine Fields, welcomed the members, and Mrs. Drucilla Davis read a poem. Mrs. Katie Bostic presided over the pining ceremony. Members attending the dinner were Charlie M. Neal, Mable Stallworth, Rose Hannah, Mary Johnson, Lula M. Hamilton, Josie Ridley, Katie Bostic, Ruthie Adely, Corine Fields, Thelma Reed, Mable D. Otis, Earnestine Neal, Doris Kendall, Gail Lott, Jacqueline Blackmon, Nora A. Hamilton, and Betty Harrison.

Christian Day plays Brahmans

BELLE GLADE - When the Christian Day School Crusaders suit up Saturday to take on Okeechobee High School junior varsity there is a possibility the Crusaders could be kicking off their best football season in the school's history.

Under the leadership of first year coach, Woody Salvatore, Jr., of Pahokee, the Crusaders have been predicted in a number of high school polls to go 7-3 for the season.

A graduate of Florida State University, and a former football player at Pahokee High School, Salvatore described the Crusaders' schedule as "formidable."

The Crusaders will play such opponents as LaBelle, St. Edwards, Gold Coast Christian, Baysen Christian, Bishop Verot, St. Edwards, Boca Academy and Lake Highland.

Most of the offensive and defensive lines are returning. The Crusaders have several players over 190 pounds.

Although there are slightly over 25 players on the team, the Crusaders minus any major injuries should do as well as any other high school team in the Glades.

Key players on the team are Scott Hudson, James Barwell, Cary McKee, Robert Echols, and Phillip Echols.

The Crusaders have three quarterbacks, Juan Armas, Luis Garcia and Joey McMillan.

Other team members include, Joel Pate, Tim Mann, William Cruz, Roger Parrish, Mirto Vidua, James Barwell, Luis Garcia, Ricky McCroan, Phillip Echols, Jacinto Paz, Juan Armas, and David Chamblee.

Also on the team are, Jose Ramos, Robert Echols, John Hunter, Randy Nichols, Jody Canales, Cary McKee, Thomas Frederick, Richard Jeff, Tim Clark, Russell Miller, Roan McKee and Scott Hudson.

Assisting Salvatore with the Crusaders is assistant coach Earl Lookabill.

The Crusaders will play their home games at 4 p.m., on the Crusaders football field located behind St. Peter's Lutheran School.

Members of the Christian Day School football team are from left to right, front row, Joel Pate, Tim Mann, William Cruz, Roger Parrish, Joey McMillan, Mirto Vidua, James Barwell, Luis Garcia, Ricky McCroan, Phillip Echols, Jacinto Paz, Juan Armas and David Chamblee. Back row,

assistant coach, Earl Lookabill; Jose Ramos, Robert Echols, John Hunter, Randy Nichols, Jody Canales, Cary McKee, Thomas Frederick, Richard Jeff, Tim Clark, Russell Miller, Roan McKee and head coach Woody Salvatore. Not shown, Scott Hudson.

Nov. 14	LAKE HIGHLAND	4 p.m.

Hester makes presence known

TALLAHASSEE - Former Glades Central Community School's "Athlete of the Year" Jessie Hester made his presence known at Florida State University Saturday, when the wide-receiver scored the Seminoles' first touchdowns in a football game against Louisville.

Hester, one of the most highly recruited high school athletes in the nation last spring, scored the touchdown on a 11 yard touchdown pass from senior quarterback Rick Stokell.

Also late in the fourth quarter, Hester grabbed a 17 yard pass and put the Seminoles on Louisville's one-yard line. The Seminoles were unsuccessful in the scoring attempt.

FSU coach Bobby Bowden didn't waste anytime capitalizing on Hester's ability during the Seminoles' seasonal opener.

Hester caught three passes for 46 yards and spent most of his time in

the company of two and sometimes three Louisville defenders.

Willie McDonald, Dean of Boys at Glades Central and a former Raiders coach, said he was happy with Hester's success Saturday and had expected Hester to start out his college football career dramatically.

McDonald and his son, Ray McDonald, a member of the Raiders football this year, attended the University of Miami-University of Florida game in Miami on Saturday.

"I'm happy for Hester, he's a nice young man with exceptional ability and a good attitude", said McDonald.

"I expect Hester to be the first young man from Belle Glade to play professional ball", McDonald added.

Experimental season approved

TALLAHASSEE - The five-member Florida Game and Fresh Water Fish Commission has formally approved a special experimental duck harvest at the end of this month as part of the 1981-82 migratory bird hunting season.

Meeting today (Friday, September 4) in Palatka, the Commission accepted a proposal from the Division of Wildlife that a special five-day experimental season be

enacted during the last five days of September, primarily for the taking of wood duck and teal. Under the regulations adopted today, the special season will be held from September 28 through 30 with hunters allowed to harvest up to four ducks per day, only one of which may be a species other than teal or wood duck. Coots shall not be taken during the special season. Hunting hours will be from 1/2 hour before

sunrise to sunset. Steel shot is required in affected teal zone areas of Florida during the special season. Also adopted within the regulations were federally-approved guidelines for the taking of dove. In Florida, the first phase will be held from Oct. 3 through Nov. 1 with shooting hours from noon until sunset. The second phase will be from Nov. 14 through Nov. 29

and the third phase will be scheduled from Dec. 12 to Jan. 4. The shooting hours for the second and third phase will be from 1/2 hour before sunrise to sunset. In other business, the Commission has set the number of quota permits for the taking of antlerless deer during twenty public hunts on wildlife management areas. The permits will be selected from in-

dividuals who have already been selected for special and regular nine-day quota hunts on wildlife management areas. Antlerless deer permits set for the affected management areas include Avon Park (muzzleloading gun) 100; Camp Blanding (general gun) 200; Ocala (general gun) 800; Joe Budd (muzzleloading gun) 75; G. U. Parker (general gun) 75; and St. Regis (general gun) 50. Also, La Floresta Perdida (muzzleloading gun) 100; Citrus (archery) 200; Citrus (muzzleloading gun) 200; Citrus (modern gun) 200; Bull Creek (archery) 50; Bull Creek (muzzleloading gun) 50; Three Lakes (archery) 90; Three Lakes (muzzleloading gun) 90; Three Lakes (general gun) 90; Salt Springs (archery) 70; Salt Springs (general gun) 70; and St. Regis (general gun) 50.

(Continued on Page 13)

Glades Day School scoreless in Lake Placid jamboree

Glades Day traveled to Lake Placid Friday, Sept. 4, and played scoreless quarters against Moore Haven and Lake Placid.

"I thought we looked real good on defense and not so good on offense," said Coach Byron Walker.

Three weeks of bad weather have hindered the Gators' preparations this summer, said Walker.

"Under the circumstances, the entire offensive line did a good job for having to work out in the rain and the mud for three weeks," he said.

Other bright spots for the Gators were the running of tailback Tobin Vanscoy and the play of defensive end Frank Thompson.

The Gators put together one offensive drive during the jamboree, but it was cut short by an interception.

Walker said that the 1981 Gators are very inexperienced, but that the team looked good in practice Monday.

"We're getting some things accomplished," he said, predicting that he would be able to tell more about the team's preparation by Wednesday.

Glades Day opens its season Friday, Sept. 11, at Fort Lauderdale Pine Crest. That game will be played at 3:45 p.m.

Glades Day is the defending Class A state football champ. Pine Crest won its district last year, and lost to Clewiston in a Class 2A regional playoff game.

Childers opposes increase

WEST PALM BEACH—State Senator Don Childers (D-West Palm Beach) has voiced a strong protest against the proposed \$476 million rate increase requested by Florida Power and Light Company.

In a letter to the Public Service Commission, Childers noted that the commission staff had recommended approval of a \$381 million rate hike and called it "unconscionable."

The increase would mean a 23 percent increase for residential customers. The PSC staff should come up with a realistic recommendation, he said.

not be placed in the rate base.

"To say that Florida has the reputation for being sympathetic to rate increases is an

understatement. The Public Service Commission is perceived by more and more people as being the nursemaid of utilities," Childers said.

national waterfowl season from Sept. 26-30; dove season from Oct. 3 to Nov. 1; and additional small game season from Jan. 11 to March 5 and the spring turkey season from March 6 to 23. Trapping will be allowed from Dec. 1 through March 1 for Class B furbearers and throughout the year for Class A furbearers.

Deleted certain lands and waters from the Guana River Wildlife Management Area described as those lands and water lying from the Guana River north (including the dam and Lake Ponte Vedra) between State Highway A1A and the west shoreline of Lake Ponte Vedra.

Amended the fox, raccoon and bobcat season on the St. Regis Type II Wildlife Management Area in Santa Rosa and Escambia counties to run

from Oct. 5 through July 31. Sportsmen will be allowed to take raccoon and bobcat and pursue fox.

The next meeting of the Commission has been scheduled in Tallahassee on October 23, 1981.

Duck season—

Continued from 11

40; Salt Springs (muzzloading gun) 40; and Salt Springs (modern gun) 40.

The Commissioners, in other business, adopted a rule to regulate the lawful sale of manufactured products made from alligator hides.

Under the rule, no person shall engage in the retail sale of products made from the skins of alligators until such person has obtained an alligator products permit from the Commission headquarters in Tallahassee.

In other business, the Commissioners passed the hunting calendar for the upper St.

Johns River Type II Wildlife Management Area, in Indian River and Brevard counties. Archery season will be held from Sept. 19 through Oct. 19 (for all legal game, including either sex deer; muzzleloading gun season from Oct. 23-25; and addi-

State hunt calendar

TALLAHASSEE - Florida's 1981-82 hunting season begins next month and will continue through spring, with a special five-day experimental duck harvest in September and added bonus to this year's calendar, according to the Game and Fresh Water Fish Commission.

"A true sportsman will be considerate of fellow hunters and non-hunters alike," said Col. Robert M. Brantly, executive director of the Commission, in announcing the season calendar. "We encourage all hunters to be certain to utilize safe hunting practices on their outings and conduct themselves in a sportsmanlike fashion."

Brantly said Florida outdoorsmen were fortunate to have the wide-range settings and waterfowl habitat that provides ample opportunity for sport hunting and which also serves to enhance the food source of thousands of families.

Here is the 1981-82 calendar as released by the Commission:

September 2 - Rail (marsh hen) and common gallinule season begins with harvest hours 12 hour before sunrise to sunset. Bag limit for common gallinule is 15 daily or possession limit of 30; for or Virginia quail, 25 daily or possession limit of 50 in the aggregate, and clapper or king rail, 15 daily or possession 30 (single or aggregate).

September 19 - Archery season begins statewide. Areas closed to archery hunting include Broward County; that portion of Dade County east of Levee 28 and south of U.S. Highway 41; that portion of Palm Beach County south of State Road 80; that portion of Hendry County east of Levee 1 and Levee 2; and those portions of Collier and Monroe counties south of U.S. Highway 41. Legal to harvest deer (except spotted fawn), bear, bobcat, Florida panther, turkey (in the Northwest Region in Leon, Gadsden, Wakulla and Jefferson counties only) and for gophers only; squirrel, quail, rabbit and wild dogs. See bag limits for all the above under "November 14."

September 26 - Opening of special early experimental duck season (12 hour before sunrise to sunset). Bag limit is four ducks per day, not more than one of which may be a species other than teal or wood duck.

September 30 - Close of experimental duck season. October 3 - First phase of mourning dove season (from noon to sunset) with daily bag limit of 12 and a possession limit of 24. During the first phase, the portion of Santa County east and south of U.S. 98 including Alligator Point will be closed. Special harvest hunts this month on Apalachicola and Ocala wildlife management areas. Consult management area maps for regulations.

October 18 - Archery season closes. October 23 - Muzzleloading gun season begins in the Northwest, Central, South and Everglades regions for antlered deer with one or more antlers at least one inch in length visible above the hairline, rabbits, wild hog (see "November 14" for description), squirrel and quail.

October 25 - Muzzleloading gun season ends. November 1 - First phase of mourning dove season ends.

November 7 - Snipe season begins (12 hour before sunrise to sunset) with a daily bag limit of 8 and a possession limit of 16.

November 10 - Rail and gallinule season ends.

November 14 - Second phase of mourning dove season begins (12 hour before sunrise to sunset); antlered white-tailed deer season opens statewide (daily bag limit is two with possession limit of three and no season limit, permits to take antlerless deer are available on some wildlife management areas and on some private properties (consult nearest office of the Commission for details); turkey season opens with gibbering only in Leon, Gadsden, Wakulla and Jefferson counties of the Northwest Region (no other turkey hunting permitted in remaining counties of the Northwest Region); gibbering in Alachua County in the Northwest Region and either sex turkey in the remaining counties of the Northwest Region, and in the Central, South and Everglades regions (with a daily bag limit of one, a season limit of two and a possession limit of four; bobwhite quail season begins in all areas of Florida with daily bag limit of 12, a possession limit of 24 and no season limit; gray squirrel season opens statewide with a daily bag limit of ten, possession limit of 20 and no season limit; fox squirrel season opens statewide with a daily bag limit of 12, a possession limit of 24 and no season limit; brown and black bear season begins in Columbia and Baker counties only in the Northwest Region. Daily bag limit is one, as is the season bag limit. Consult general regulations governing the season (see "November 25").

November 25 - Duck and coot season begins (12 hour before sunrise to sunset). The daily bag limit of ducks is from one to ten, singly or in the aggregate, depending on the species (see "November 25" for details). The point value of the last duck taken when added to the sum of the point values of other ducks as already taken that day equals 100 points. The points are assigned to species as for canvaucks, fulvous teal ducks, 100; redhead, hen mallard, black duck, Florida duck, wood duck and hood merganser, 70; dusky mallard, ring-necked duck, warty, bufflehead and goldeneye, 25; pintail, scaup, blue-winged and green-winged teal, gadwall, shoveler, widgeon, American and red-breasted merganser and all sea ducks, 10; and all other species and sizes of ducks, 25. Coots have no assigned point value but have daily limit of 15 and possession limit of 30. The taking of birds or game is prohibited in Leon County and Lake View county in Jefferson County. Waterfowl hunting is permitted only on Wednesdays, Saturdays and Sundays during the state-wide season November 25 through December 6, and December 12 through January 16. In addition to Wednesdays, Saturdays and Sundays, waterfowl hunting is permitted on November 26, December 24-25, December 31, January 1, and on January 18.

November 28 - Second phase of mourning dove season ends. December 5 - Woodcock season begins (12 hour before sunrise to sunset) with daily limit of five and possession limit of 10. December 6 - Duck and coot season ends (first phase). December 12 - Second phase of duck and coot season begins (12 hour before sunrise to sunset) third phase of mourning dove season begins (12 hour before sunrise to sunset). January 4 - Third phase of mourning dove season ends. January 10 - Wild geese season ends; black bear season ends in Baker and Columbia counties; turkey season ends in Northwest, Central, South and Everglades regions; white-tailed deer season in Northwest, Central, South and Everglades regions ends.

January 18 - Second phase of duck and coot season ends. January 19 - Special snipe season begins (12 hour before sunrise to sunset) with daily limit of five and possession limit of 10.

January 31 - Special snipe season ends; white-tailed deer season closes in the Northwest Region; gophers only in Leon, Gadsden, Wakulla and Jefferson counties in the Northwest Region ends.

February 5 - Primitive weapons season begins in the Northwest Region for antlered deer with one or more antlers at least one inch in length visible above the hairline; rabbits, squirrel and quail.

February 7 - Woodcock season ends. February 21 - Snipe season ends and primitive weapons season ends in the Northwest Region.

March 5 - Gray and fox squirrel and quail seasons end south of S.R. 50 (which crosses the state through the Orlando area).

March 6 - Spring gopher season opens south of F.H. 50.

March 7 - Quail, gray and fox squirrel season ends in area north of S.R. 50.

March 13 - Spring gopher season opens in the Northwest Region and north of S.R. 50 to the western boundary of Jefferson County.

March 28 - Spring gopher season ends south of S.R. 50.

April 4 - Spring gopher season ends north of S.R. 50 to eastern boundary of Jefferson County.

April 11 - Spring gopher season ends north of S.R. 50 to eastern boundary of Jefferson County.

April 18 - Spring gopher season ends north of S.R. 50 to eastern boundary of Jefferson County.

April 25 - Spring gopher season ends north of S.R. 50 to eastern boundary of Jefferson County.

May 2 - Spring gopher season ends north of S.R. 50 to eastern boundary of Jefferson County.

May 9 - Spring gopher season ends north of S.R. 50 to eastern boundary of Jefferson County.

Pyfrom attends leadership course

Juan A. Pyfrom, son of Mr. and Mrs. Willie R. Pyfrom of 1308 S.W. Ave. B Place, Belle Glade, received practical work in military leadership at the

Army ROTC Advanced Camp at Fort Bragg, N.C. The six-week training includes instruction in first aid, communications, marksmanship, orienteering, weapons systems, defensive and offensive tactics, reconnaissance techniques and other areas.

Most cadets fulfill their advanced camp requirement during the summer between their junior and senior years in college. The successful completion of the advanced camp and graduation from their respective college or university will result in the student's being commissioned a second lieutenant in the active Army or the U.S. Army Reserve or National Guard.

U-SAVE RECEIVES AWARD. The Belle Glade Beautification Committee presented a beautification award to U-Save for its recent improvements. From left to right, Ed Foley, chairman of the Beautification Committee;

Charles Butler, manager of U-Save; Jewel Crane, executive secretary of the Chamber of Commerce and Garden Corbin, President of the Chamber of Commerce Board of Directors.

New faculty members join PBJC

Four new faculty members will be teaching in the Palm Beach Junior College Business Department starting in the Fall Term, according to Dr. Robert L. Suttle, chairman.

They are Theresa M. Bryant, West Palm Beach, Dr. Naomi L. Conley, Belle Glade, James H. Hall, Riviera Beach, and Sandra B. Sprague, Lake Worth.

Before coming to PB-JC, Bryant served as Associate Dean of Stead College, Johnson City, Program Coordinator for Columbus College, and most recently as a field executive with the Palm Glades Girl Scout Council, Lake Worth.

She is a member of the American Association of University Women, Palm Beach County Branch, and her hobby is needlework.

Dr. Conley, a native of Lumberton, N.C., received a B.S. Degree from Pembroke State University, Pembroke, N.C., a Master's Degree in

Education from the University from the University of North Carolina, Chapel Hill, and a Doctorate in Education from the University of Tennessee, Knoxville; she is presently doing graduate work in Administration and Supervision, Adult Education.

Dr. Conley was a clinical psychologist for six years, and for the past two years has been coordinating Teacher of Adult Education in Belle Glade.

She and her husband, Dr. Cecil Conley, provost of the PBJC Glades campus, enjoy traveling and piloting their own plane.

Hall, originally from Tralake, Mississippi, graduated from Pahoek High School, before receiving his B.A. Degree from Dillard University, New Orleans, and his Master's Degree in Public Administration from Nova University.

Before coming to PB-JC, Hall worked as an accountant in Riviera Beach.

In his spare time he en-

joys reading, boating and jogging.

His and his wife are parents of two children, Laurence, two and Sara, one.

Mrs. Sprague, born in Glens Falls, New York,

received her Bachelor's Degree, Magna Cum Laude from the University of Massachusetts, Amherst, Mass., and her Juris Doctorate from the University of Connecticut Law School.

Manning receives good conduct medal

Navy Dental Technician 2nd Class Samuel K. Manning, son of Norma R. Mills of 349 Cypress Ave., Pahokee, was awarded the Good Conduct Medal.

The Good Conduct Medal signifies faithful and obedient service during a four-year period. To earn it, Navy enlisted men and women must achieve and maintain a satisfactory level of performance and an unblemished conduct record for the entire period.

Manning is currently serving with 2nd Dental Battalion, Camp Lejeune, N.C.

A 1976 graduate of Glades Central High School, Belle Glade, he joined the Navy in February 1977.

Unit 22 asked to meet

BELLE GLADE—All members of the Realistic Cosmetologists Unit 26 are asked to meet Monday, Sept. 13 at 4 p.m. at the home of Mrs. Flora Hicks. Mrs. Ernest Benjamin, president of the unit said it is important that all Unit members be present.

☐ Nachman

☐ Goforth

NORTH BOROUGH

☐ Tindall

☐ Parrish

WEST BOROUGH

☐ Jones

☐ Bythwood

☐ Grear

"I feel strongly that the progress we have witnessed since my election can continue if we as a community sustain trust in our ability to meet the future head-on. Problems still exist and it will take every one of us in unity to solve them and I will continue to do my utmost as long as you—the community allows me."

donated \$1,000 this week to the RIF (Reading Is Fundamental) program at East Lake Middle School.

The reading program has been instrumental in giving children who wouldn't normally have books of their own, a chance to read and own their own books.

The Mu Rho Omega Chapter of Alpha Kappa Alpha Sorority has

donated funds to the school for the children use for the past two school years. This is their second \$1,000 contribution.

Sorority chapter president Norma Miller and RIF Chairman Shirley Speakes presented the check to Mrs. Eugenia Jones, Assistant Principal of East Lake Middle School.

Senior citizens class offered

BELLE GLADE—The Palm Beach County Adult Education Program in the Glades is offering a Health and Exercise class for senior citizens at Glades Central Community School.

Willie McDonald, the instructor for the class

said the class will be held on Tuesday and Wednesday evenings from 8 to 9:30 p.m. The class will last eight weeks.

McDonald said the class is not open to teens or young adults.

"This class and its instruction is designed with the senior citizen in mind," said McDonald.

Carter stationed in North Carolina

Staff Sgt. Grailing J. Carter, son of Mr. and

Mrs. Charles Carter of 443 Courthouse Road S.W., Vienna, Va., has arrived for duty at Seymour Johnson Air Force Base, N.C.

Carter, an aircraft maintenance technician with the 68th Organizational Squadron, was previously assigned at Kadena Air Base, Okinawa, Japan.

His wife, Joyce, is the daughter of Kara Linder of Belle Glade.

A different flavor for hot tea: instead of sugar, add a couple of lemon drops or hard mint candies. They melt quickly and keep the tea tasting clean and brisk.

Birthdays

Melvin Stinson

SOUTH BAY—Melvin Stinson, the son of Mr. and Mrs. Thomas Stinson, Sr. of 200 S.W. 10th Ave. Apt. 3, South Bay will celebrate his fifth birthday, Saturday, Sept. 12.

Barbara Jones

PAHOKEE—Barbara Jean Jones will celebrate her 27th birthday, Saturday, Sept. 19, and invite her many friends to celebrate the occasion with her at a party on

Sept. 19 at the 715 Mobile Home Park Lot number 50.

Miss Jones is employed by the Palm Beach County School system at Pahokee Elementary School.

Byrds host reunion

BELLE GLADE—Summer vacation days ended for the Byrd family on a note of happiness.

Mr. and Mrs. Joseph (Vivian) Byrd, served as the official host for the Byrd family annual reunion, held Aug. 21 through 23.

Mrs. Byrd and her sister, Mrs. Cynthia Griffin of Jacksonville planned the annual event and selected a theme for the reunion. The theme "A Memorial Family Togetherness," was selected in honor of Mrs. Byrd's grandmother, the late Mrs. Pearl Gipson.

Mrs. Gipson, who died in October of 1981 passed five generations.

The reunion included a bar-becue outing and get acquainted party on Friday, a "Show and Tell" flash back day on Saturday.

On Sunday, Aug. 23, family members attended

church service at the St. John First Baptist Church, where the Rev. J.B. Adams is pastor. The Byrds are members of the church.

Family members attending the reunion were the parents of Mrs. Byrd, Mr. and Mrs. James Nix, her sisters and brothers and their families, Mr. and Mrs. Thomas Brown and many cousins, all of Jacksonville; Mr. and Mrs. Wesley Gipson and family of Los Angeles, Calif.; and Mrs. Alberta Billings and family of Rader.

Mrs. Byrd and her family wishes to express their appreciation to their many friends for the kind hospitality shown them during their stay in Belle Glade. The Gipson family looks forward to sharing happy times with their daughter and son-in-law and family again in the future.

Hunt calendar—

[Continued from Page 15]

boundary of Jefferson County.

April 11—Spring gopher season ends in Northwest Region.

Rabbit hunting is allowed through the year in the state with special requirements on wildlife management areas.

Information contained in this calendar pertains to hunting regulations other than state wildlife management areas. Sportsmen should consult individual wildlife management area regulations for applicable rules.

The counties in the Northwest Region are Escambia, Santa Rosa, Okaloosa, Walton, Holmes, Washington, Bay, Jackson, Calhoun, Gulf, Franklin, Liberty, Gadsden, Wakulla, Leon and Jefferson.

The counties in the Northeast Region are Taylor, Madison, Hamilton, Suwannee, Lafayette, Dixie, Levy, Alachua, Columbia, Baker, Union, Bradford, Alachua, Clay, Duval, and Nassau.

In the Central Region, the counties are St. John, Putnam, Flagler, Marion, Citrus, Sumter, Lake, Volusia, Seminole, Orange, Ocala and Brevard.

The Everglades Region counties are Indian River, Okeechobee, St. Lucie, Martin, Palm Beach, Hendry, Collier, Broward, Monroe, and Dade.

In the South Region, the counties are Lee, Glades, Charlotte, Sarasota, DeSoto, Highlands, Manatee, Hardee, Polk, Hillsborough, Pinellas, Pasco and Hernando.

All sportsmen are asked to consult complete hunting regulations prior to participating in the 1981-82 season.

A bear of a hug

Bee Bo the bear was on hand to greet left; Jenny, 4, and Christy, 7, Bair, at the U-Save Grand Re-Opening, located at 525 S.E. Ave. E in Belle Glade. The little Bairs are the daughters of Ralph and Jeanetta Bair of Belle Glade.

PFC Russell assigned to Okinawa

Marine Pfc. Gregory T. Russell, son of Roosevelt Russell of 249 NW Fifth St., Belle Glade, and Victoria Roberson of 1612

Avenue L, Fort Pierce, has reported for duty with 3rd Force Service Support Group, on Okinawa.

A 1975 graduate of Fort Pierce Central High School, Fort Pierce, he joined the Marine Corps in October 1980.

Mary-Arthur Starling and Ernie Kornya

After 2½ years as your Savin Sales Representative, thanks to you I've been promoted and you've made me what I am today. In my new position as Glades and North Palm Beach County Branch Sales Manager, I'll still be ready to provide you with the finest in Savin copiers and service.

I'd also like to introduce Ernie Kornya, your new sales representative for the Glades, including Belle Glade, Pahokee, South Bay, Canal Point, Clewiston, Moore Haven and surrounding areas.

Ernie, who was salesman of the month for July, will be happy to show you the latest high volume copiers with reduction and collating capabilities. Your copier needs can be fulfilled with just one phone call to Ernie at 996-1900 or call me at 833-9009. And thanks again.

Survey to gather data on diseases

Local representatives of the Bureau of the Census will conduct a survey in this area during the week of September 14-18, 1981, to determine the extent which people have been immunized against selected diseases. Forrest P. Cawley, Jr., Director of the Bureau's Regional Office in Atlanta, announced today.

The survey is conducted throughout the U. S. every year to provide information on immunization against measles, influenza, polio, diphtheria, whooping cough, tetanus, rubella, and mumps needed for administration of health programs geared to disease prevention. These health questions are in addition to the usual ones asked in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U.S. Department of Labor.

Results of the monthly employment survey provide data on conditions in the labor force, prime indicators of the economic health of the country. For example, in July the survey indicated that of the 106.5 million men and women in the civilian labor force, 99.0 million were employed. The Nation's unemployment rate was 7.0 percent, down from the 7.3 percent which prevailed during most of the January-June period.

Personal information supplied in the survey is kept strictly confidential by law and results are used to compile statistical totals.

Interviewers who will visit households in this area include: Mrs. Selma Leavitt, Mrs. Lois Robinson, Mrs. Nancy Davis, Mrs. Diane Merklein.

"Why spend money on electricity when you could spend it on something else?"

Watt-Wise Living," says Just ask Mr. and Mrs. Renaud of West Palm Beach. They've been saving on their electric bill ever since they moved into their new home. Their average monthly bills in their centrally air conditioned four-bedroom home have been around \$80 in the summer months, \$65 in winter.

What's Watt-Wise Living? It's a combination of features that meet FPL's energy-saving standards and can be easily included in the construction of a new home. Over a period of years they can save you substantially more than they cost. Naturally, how much you save will depend on your lifestyle and conservation efforts.

Watt-Wise "homes have cost-saving features like extra ceiling and wall insulation, solar or heat-recovery units for water heating, a higher-efficiency air conditioner or heat pump. Power savers like fluorescent lighting and a microwave oven, and thermally efficient windows and doors, with glass areas planned to minimize heat build-up.

Today, there are many ways to save on electricity without giving up comfort. You'll find them in FPL's Watt-Wise Living Program. Today, it's one of the wisest investments you could make. Stop by your local FPL office and pick up a free brochure.

Watt-Wise Living. It saves you more than it costs.
